Dear IJM supporters and applicants,

I pray you and your loved ones are doing well in these difficult times. We are so grateful for your support of IJM and for your interest in serving with us as an intern or fellow.

During the COVID-19 global pandemic, IJM is continuing to take steps to ensure that the safety of our staff and clients remains our top organizational priority. Consequently, IJM has made the difficult decision to *temporarily suspend all IJM internships and fellowships* until conditions allow our global offices to reopen and our staff around the world are ready to receive new interns and fellows.

We are grateful to God that the work of IJM hasn't slowed. In fact, IJM is bringing rescue to those most unsafe in lockdown – find out more about how you can help [here](#).

Should you have any questions in the meantime, please don't hesitate to reach out to our team at internships@ijm.org.

Sincerely,
Esther Daniel
