

What is a Freedom Partner?

Freedom Partners are IJM's most faithful and consistent supporters. They send rescue and restoration to children and families across the world by giving \$24 or more a month to IJM.

Along with their giving, Freedom Partners will have exclusive opportunities to pray and advocate for the voiceless, receive breaking news from the field and have opportunities to connect with other Freedom Partners in their area.

Everyone in your congregation who decides to become a Freedom Partner will have their gifts **doubled for an entire year (up to \$400,000) when they sign up in September!**

A gift of \$24 a month becomes \$48.
\$50 becomes \$100.
Send two times the rescue!
